

The Katrina Shopping Spree was a huge success! Everyone who came left with the beginning of a new stash. The comraderie of the day was the highlight for me. And I'd like to send a special "THANK YOU" to the ladies who came to help sort and set up. You made my job so easy!

Easter Song - \$18.00

(a new chart, words at right)

We'll order this chart if we get enough interest. The words are set between a calla lily border and under (atop) an Easter cross

The verse reads:

Easter is a newborn time,
A time when nature sings
A time for newborn colors,
A time for newborn wings

*

A time when God renews in all
A hope for things to be
When He looks down on nature
And says, Now sing of Me

*

Paint My world in colors,
Till every blue bird sings
Shout the joy of Easter
That life My spirit brings

*

For from a bleak, stark winter
I call life forth from earth
To show from death's dark stronghold
How I can bring new birth

*

For that's the Song of Easter
That all who trust My Son
Will find when death has done its worst
That life is just begun

Wanted: a replacement serger for the shop. In 1995 we invested in a serger to overcast the edges of your fabric so that you could go home and immediately begin to stitch. That serger has served us well for many years, but I am very sorry to report that it has seen the end of its lifespan. The repairman tells me that it has a broken gear that is not repairable. Before I purchase a new one, I thought I would see if anyone out there has a serger that they don't use. If you have one you would like to sell, please contact me with the details and let me know what price you want for the machine.
