

It was a dark and stormy night...but it didn't deter Doug & Myla Kreinik or a host of shoppers from sharing an evening in the shop celebrating my birthday and partaking of tremendous shopping bargains. Mark your calendar for July 19, 2016 – if the shop and I are both still here, we have a date for a repeat event!

FYI: our pillow finisher is almost finished with the repairs to her home, so she'll be catching up on the work we've been saving for her since spring.

If you're working on Christmas stockings or small pillows, we encourage you to bring them in for finishing as soon as possible. It's probable the cut off for Christmas delivery will be before Thanksgiving this year.

For many years Accents has stocked Windsor Wood tote bags, so I was very saddened to learn that the company has been sold and the new owner will no longer be manufacturing these bags. My distributor has sent me all of the bags that they have left in their warehouse – approx. 40 items. When these bags are gone, they are gone for good. Some of the colors and styles are pictured above. Prices range from \$31.50 - \$71.95. (fyi: the shoulder tote makes a great stitching bag and doubles as an excellent purse/shopping bag on vacations)
