

ACCENTS' TIPS & TIDBITS 10-19 -07

The *Accents Aweigh Stitcher's Cruise* was awesome. We had a stitching room to ourselves on the ship so that we could leave our projects and supplies in the room and lock the door when we left. There were endless activities on the ship to keep everyone busy – and beautiful weather in Cozumel. We're going to do it again next year – the tentative date is October 23rd. Think about coming along! *peace - gayle*

I have fallen in love with the “Fleur de Lys” chart at right. It appears to be gorgeous – the stitch count is 145w x 380h (approximately 10 ½ inches wide x 27 ¼ inches high when worked on a 28 thread/14 count fabric). I am preparing to place my order Monday afternoon and, since the order will be shipping from Italy, I would like to have an idea how many charts to order. It is a chart and not a kit!

Please email me by Monday noon and let me know if you think you might one day purchase this chart so that I can determine a reasonable quantity for this first order. I anticipate the cost will be somewhere between \$24 - \$26.50 for the chart ... (the chart's cost plus the cost of shipping and duty costs).

—I am off to attend the Retail Council meeting of The National Needlearts Association this afternoon. I will be back in town Monday morning – so don't expect any replies to emails before Tuesday.

—Remember to vote tomorrow – you can make a difference and it's certainly time for a difference in our state. Before you pull the lever say a quick prayer for the Holy Spirit to guide your hand to the person who will most **SERVE** the people and trust that answer.

—I have lots more to tell y'all about, but the clock is ticking and I don't want to be late for the plane, so I'll see you next week! Till then, keep stitching.

Your life is like a tapestry – it's made up of a variety of colors and stitches which come together to create the whole.
