

News to "Accent" your stitches

February 28, 2008

Tomorrow we have an extra day that comes along only once every four years. How will we spend our 1,440 extra minutes? Will we even be aware that we've received them? Will we stop for 5 of those minutes at mid-day and be grateful to be alive? Will we take 5 more of them to be thankful for all of the blessings we take for granted? Sadly, some people will only experience 1,440 minutes of additional pain or suffering. Let's each Leap out of bed on Friday morning and into a prayer that persons the world over may Leap into a place of peace and contentment for this 2008 Leap Year day!

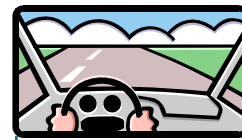

Wishing you miracles that you recognize and peace and contentment beyond your imaginings... gayle

2ND ANNUAL ACCENTS AWEIGH STITCHERS CRUISE

Board ship on Thursday and prepare to spend the afternoon and the next three days stitching with a group of awesome people. Last year we had the Card Room on the ship for our private stitching parlor for the duration of the cruise. I was even given a key to the room so that we could leave our stitching supplies in the room. You can get additional cruise info by calling our travel agent, Judy at (504) 378-8112.

Saturday, March 1st, I'm going to visit Janet since she doesn't have to work and I haven't been to visit her in months. Fred will be in the shop and can do everything except serge fabric.
