### VISUAL MATE—A SOLUTION FOR TRAVELING WITH MAGNIFICATION

A Visual Mate is a portable, lightweight, around-the-neck adjustable light & magnifier. It's perfect for using at home or taking on a trip—and is great for use in hotel rooms where the lighting is less than adequate for stitching. The round daylight bulb gives you true color so you can easily distinguish the difference in thread shadings. The center magnifier is 5 inches in width. The strap is adjustable and has a padded area so it will rest comfortably around your neck. Compared to the Dazor lamp with its current \$400 cost, the Visual Mate is very affordable at only \$80. If you are interested in owning a Visual Mate, let me know and I'll place an order. I don't have enough space in the shop to keep more than one in the shop. Replacements bulbs are stocked.

### PANSY PIN STITCH-ALONG

SATURDAY, MAY 17 1:00 PM — 3:00 PM

Our next Saturday Stitch Along will be a little pansy pin. We'll provide the materials FREE to anyone who attends on the 17th. The design is stitched on perforated paper so you'll have no excuse that you can't see the holes! Bring your scissors. Please call to reserve your seat if you plan to come.
