

## News to "Accent" your stitches

July 22, 2008

### 22ND ANNUAL SIDEWALK SALE A HUGE SUCCESS!!!

To each of you who attended the Sidewalk Sale on Sunday, I extend my sincere thank you. I worked diligently to present products in a manner that provided you with the knowledge necessary to make the sale items usable and included possible designs for the items whenever possible. The marked-down pricing was superb and you, obviously, were impressed enough with the prices to add many of the sale items to your stashes. The good news for me is that I can see the floor in my upstairs bedroom for the first time since I moved from Williams Blvd. And the Wednesday Night Sit & Stitchers will be able to place their stitching bags under the tables for the first time ever! And for that I am very grateful.

### LOTS OF STUFF... OR ...STUFF THAT PLEASURES US LOTS!

Now that the sale is over, for a little while it will appear that the shop is empty. However, tote bags from a new vendor and overdyed threads from ThreadworX (*the company that stepped in to duplicate the bankrupt Needle Necessities colors*) are on their way to the shop.

And...the German Dovo scissors have arrived, are priced and ready for you to pamper yourself. You need to hold them in your fingers and make a test cut! They feel like a feather but have the strength of German steel in their blades. Dovo Scissors are shipped direct from Germany and the cost is based on the value of the U.S. dollar (against the Euro) on the day they ship. If you love these scissors, you might want to consider making your purchase now since the dollar's stability against the Euro fluctuates upward daily.

### HALLOWEEN HULLABALOO? LET'S MAKE IT A GROUP-TO-DO!

Is anyone up to stitching the 3 Black Cats Storybook as a group stitch-along. If we meet 2 Tuesdays a month beginning Aug. 5, and stitch at home on the in-between Tuesdays, that gives us 12 weeks to complete the stitching. I figure we can assemble the "storybook" in one evening. I estimate the cost of the entire project around \$40-\$45. I have a chart in the shop if you want to check out the design "up close and personal". I need to order charts so let me know by Tuesday, July 29th if you would be interested in joining the Stitching Hullabaloo!

They all jumped into the Halloween brew.  
They teased the ghosts and the goblins too,  
Have you ever seen such a hullabaloo?*
