**HOLIDAYS BRING OUT THE BEST IN STITCHERS  
ACCENTS CLOSED THURS & FRI. - NOV. 27TH & 28TH**

Every year the media ponders why people can't be as kind and giving throughout the year as they are during the holidays. In the years I have owned Accents, I am privy to knowing that stitchers exhibit "holiday spirit" from January 1st to December 31st every single year. Perhaps it's because we "meditate" daily by watching our needle as it enters and exits our fabric and thereby experience an inner quiet. Or perhaps it's because we are so in touch with the beauty of our world because of the magnificent fabrics and fibers that we hold in our hands as we stitch. Or perhaps it's just because we have the type of personality that is loving to begin with and that personality drew us into stitching as a hobby. Whatever the reason, as we approach this Thanksgiving holiday I want to remind each of you, as you give thanks on Thanksgiving Day, to be aware to give thanks for YOURSELF, for YOU are the kind and loving spirit that makes this world glorious.
