SNOW CHEERS OUR PSYCHE—LIGHTENS OUR BURDENS

Janet sent an email this morning and her words were so profound that I thought I would share them with you as I couldn't express her thoughts any better. Here's what she wrote...

Good morning!!!! I hope you were able to enjoy the SNOW yesterday. What a beautiful treat GOD gave us. I was sitting on my front porch in awe at the beauty of all the whiteness. It gave everything a crisp new look. I was watching the snow fall, thinking about how every snowflake is different. I also noticed how everyone's mood was different, everyone seemed happy. Something so simple can affect our day and attitude. No one complained about how cold it was because the result of the cold was the reason for our joy! Just like our lessons or trials in life--if we could see God as snow and the situations as the cold weather we could go through our hardships with a calmer, gentler approach on ourselves and others--knowing that God is building us with beauty disguised by our perception of unbearableness!!

"What great thing would you attempt if you knew you could not fail?" -Robert Schuller

May we approach others today with the same gentleness and understanding as we would want done to us. May we be "snow" today. It snowed in Louisiana-what more does GOD need to show us!!! Lean on HIM he wants us to!!!!

Seasons blessings and joygayle

ACCENT ON MISCELLANY IN ACCENTS

**JOY STITCH-ALONG
TOMORROW. 1-3 P.M.**

Join us in the shop as we stitch this little pin. As always, young stitchers are welcome when accompanied by an adult and materials are FREE to all who attend.

The chart below is an old free chart from Sue Hillis designs. Yesterday's weather brought it to mind. If you would like a copy of the free design, just send me an email with "Frightful Weather" in the subject line and I'll send you the chart as a pdf attachment.

Lizzie Kate's 2009 Double Flip series is a Halloween theme. The series is printed in 6 charts, which arrive in 3 shipments. Each chart is \$8.50 and features 2 words and 2 charms. I expect this will be an incredibly popular series, so if you want to be sure that you don't miss any of the charts, we are starting a **Boo Club**. Just prepay now for the first two charts which will arrive in January. When you pick up those charts, you will prepay the next two, and prepay chart 5 and 6 when you pick up charts 3 and 4. If you want to stitch with the overdyed threads that are recommended by Lizzie Kate, let me know in advance and I will order all of the threads together so that you will not have a dye lot issue.
