MARDI GRAS MASKS BY X'S & OH'S IT'S MARDI GRAS TIME — SEE THE MODEL IN THE SHOP

I returned from Nashville with Joanne Gatenby's model! Jo was very generous in allowing me to borrow it, but I have to return it by mid-March. Photos on chart covers never do justice to the design, so stop by so you can see the original. The chart is in-stock and also listed on the Accents website. Cost is \$12.75. It was stitched on an Australian hand-dyed fabric, and I have 3 pieces in the shop. If you're interested in the fabric, come in soon!

FLEUR DE TIGER - JUST RELEASED

This is a new chart that I just learned about this morning. The cost is \$10.50. If you are interested in adding this new LSU chart to your collection, please let me know, as I'm going to order on Friday, but would like to have an idea of how many I will should order. Please email accentsinc@cox.net if you would like a chart. No need to pre-pay! Customers who reply will receive a notice when the charts arrive in the shop!

NASHVILLE MARKET JOURNAL THOUGHTS

I need more \$\$\$ in my budget! That's the long and the short of it.... What should you buy when you can't afford everything? Here's how I decided! If it could be purchased from a vendor soon, I didn't need it immediately. If it came from an out of the country vendor, then it was important to get it while it was in this country. If I loved it, it was important to bring it home. If I had never had it in the shop and the minimums were workable, or if was going to cost too much freight to ship it, it was on the "to get" list.

MY PERSONAL FAVORITE ITEM —

I loved the ABC Lessons (see photo above). Apparently it's going to be a best seller because it was the hottest selling item in the Lizzie Kate exhibit while I was there shopping. It's a chart and thread pack combo and the retail is \$32.50. Each alphabet letter begins an inspirational thought that, if followed, would rekindle love in our world!
