NEW DESIGNS FROM ACCENTS

Easily adaptable to black & white Comedy & Tragedy masks

Mardi Gras Drama (left) and Fleur of My Heart (below) are now in the shop. The masks are stitched as a large design, a stand up and a pillow tuck. The fleur looks similar to our Side by Side fleur, but it is actually a bit different. The fleur is inside a backstitched heart which is filled in with small Smyrna crosses.

FYI: we are still awaiting the arrival of the new Fleur de Tiger charts which were ordered in early February.

LOUISIANA CHARTS - PERSONALIZED BY ACCENTS

We love these designs but wanted them to reflect our personal attachment to Louisiana. The chart at left is from the Hinzeit "charmed" series. We added the border around the design to give it a feel for the architecture of New Orleans.

The chart at right is from Sandra Struppeck and depicts the word Louisiana spelled out in the center with Louisiana themed items for the letters. We have changed the cities around the outside to include those located closer to our area.

And yet another change. This Chen Designs Mardi Gras had potential, but the top of the chart needed some help so we added the confetti streamers to give the look of beads being thrown. Chart includes charms.

Modifications showing the Accents Inc. changes are included with the purchase of each designer's original chart.

"A YEAR OF FAVOR FROM THE LORD" NEW FROM HANDBLESSINGS

The Saturday Stitch-along this year will be a series of quilt squares, . Accents will offer the chart, perforated paper and DMC or Anchor floss free each month as we have done in the past. If you want to stitch the design as featured at right or as a bellpull, you will be responsible for the providing your own fabric and the fibers. I have printed a list of the information needed to gather your supplies. If you

would like the list before March 21, stop by the shop for it. These are easy designs for children to stitch. Consider making it a "Mom and Me" day of stitching each month. ... gayle

ACCENT ON ART FROM GALERIE SEVERN

Thought you would enjoy this shadow box frame.

Nappi stitched the center design using The Chef's Alphabet chart and framed her favorite "Katrina salvaged" kitchen items around the stitching.
