NEW CHARTS ALONG A LOCAL THEME

The charts shown below have just arrived in the shop. Three of them can be found on the "Louisiana" category page of the Accents website. The Victorian Homes can be found on the "Architecture" page. Since I ordered these charts sight-unseen, I have just a few of the Mississippi chart and only 1 each of the Alligator Sunning and the Victorian Homes chart. I ordered enough of the Louisiana chart to fill the initial order requests. I will be restocking and keeping the Louisiana and the Mississippi as part of our permanent inventory. I can special order any of the remaining states. I'll reorder the Alligator & Victorian Homes charts if y'all like them. *gayle*

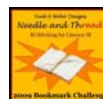

KINDNESS BEGETS KINDNESS

"No kind action ever stops with itself. One kind action leads to another. . .The greatest work that kindness does to others is that it makes them kind themselves."

Amelia Earhart

If we want our city and our nation to be kinder, let us each act kindly in each of our daily interactions with others. *gayle*

BOOKMARK CHALLENGE

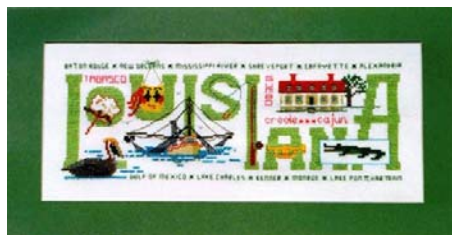

Please continue to stitch bookmarks. I'll send a pdf file of the Magic Wand pictured here to anyone who sends me an email request with "Wand 1 Bookmark Chart" in the subject line.

Year of Favor Club: Members should have received the instructions and first chart by email by Tuesday.

Reminder: if you signed up for the second flat-fold class, please bring your stitched project to the shop no later than Thursday morning.
