FLEUR D'ORLEANS COMING LATE JANUARY....

This gorgeous new fleur de lis is scheduled to be released this month. The stitch count is 53w x 71h. The cost wasn't set at my last conversation with the designer, but I anticipate it will be in the \$7-\$8 range. I will be placing my order on Jan. 19th and would like an idea of how many I need to order. I am going to ask the designer if she would be willing to autograph the first shipment, although I cannot guarantee she will agree. If you are interested in purchasing a chart from the first shipment, please let me know. No need for payment ahead. With the cost of shipping it just helps to know if I should order 1 dozen, 3 dozen or 5 dozen! Please reply by email as I will be cruising & stitching. over the next week. Isn't it wonderful to start this new year with something so beautiful to add to our stitching bag.

A group of 19 stitchers and 10 guests will be aboard Carnival's Triumph as we stitch our way to Nassau and back again. Angela will be running Galerie Severn and Accents so the shop may close a little early (around 3-4pm) on weekdays.

Calling all Saints Fans ✪ our Dome is Blessed

I surely hope that is the headline we will be reading on Sunday, January 17th. As I am writing this I have the newest Accents Inc chart, Bless our Dome, almost ready for sale. It features the Bless our Dome message above the superdome silhouette. I will get the charts printed before I board the cruise ship so that Angela will have them available for purchase on Saturday. The design size is 262w x 138h. The chart will retail for \$11.00. It's been an awesome year to be a Saints fan. Now is the time to support our team with only positive thoughts and certainly prayers and blessings can't hurt. I am so looking forward to seeing a new banner hanging above the playing field as South Division champs for this year, but wouldn't it be a blessing above all blessings to see a Super Bowl Champs banner hanging there. So I exhort you to banish all thoughts of that not happening from your consciousness!
