ACCENT ON SPRING CLEANING & GALERIE SEVERN'S BARGAIN FRAMING PROGRAM

With the advent of warm weather, you are probably itching to begin the annual Spring Cleaning ritual. In the process you will no doubt come across stitching projects that you finished and set aside with the intention of framing eventually. Let this be the year that you make a decision to handle tasks as they arise. As you come across your finished pieces, gather them and bring them to the shop. The **Custom Framing Bargain Program** will allow you to showcase your stitching in beautiful frames for a fraction of the actual framing cost if you were to choose from full service custom framing.

How does it work? The frame size needs to no larger than 18-19 united inches (in framing terms that means around 8x11"). You must have at least 2" of fabric around your stitching, 3 1/2" if you want matting. The stitching needs to be brought in ironed and ready to frame. Easy enough for you?

When you come in, you choose your frame preference (wood, gold, silver), and whether you want a mat (or not) and the mat color (blue, green, neutral, etc). The actual moulding and mat selection used (based on your preferences) is chosen by Angela when your ticket comes up for framing.

All frames will be custom made to accentuate the stitching. The cost will be between \$40-\$60 depending on the framing materials used. Payment for the framing special is by cash or check for 1 or 2 pieces. Credit card accepted for 3 or more frames.

If you would like testimonials from satisfied users, just stop by the shop during Sit N Stitch on any Wednesday night and I'm sure the stitchers will be happy to share their experiences. *Personally, I think what they like best about the Framing Special is that they don't have to make the decision.*

If we had no winter,
 the spring would not be so pleasant;
 if we did not sometimes taste of adversity,
 prosperity would not be so welcome.
