WELCOME TO MORE THAN WELCOME SIGNS

Although this chart which features Welcome in 4 languages and borders is not new, I recently restocked it because there are so many uses for the individual designs besides Welcome signs. I love the borders with the fleur de lis effect. Consider how you can insert small designs within the border. I can see the borders featuring a three initial monogram or the wedding names and date of a newly married couple. I can see some of the fleur de lis' stitched as a stand alone design. Or perhaps a bookmark. Can you envision one of the borders with the wording "French Quarter" inside? What about your last name? So many ideas for you to ponder. You can give a gift that a unique, one of a kind design. And remember, I am happy to chart wording or initials for the center for you. The fee for that charting is \$5 to \$15 depending on how much you say --- and it's graphed within the border so you don't have to think about where to place it for centering.

I have ordered the A Mon Ami Pierre charts and confirmed that they are on their way to the shop. If you emailed about a design, you will receive an email when the charts arrive. The charts will sell in the \$13—\$26 price range. Because of the number of charts that were requested, I had to split the order in two. I will be placing a second order for charts at a later date, perhaps the middle or end of May.

I said I wasn't going to — BUT I am working on another Saints project. This is a "Believe & Dat" hand towel. I bring it to the shop most days, if you want a preview!

Focus on... *The People Program*

If you are older and have the great fortune to be retired or have free time during the day and do not know about The People Program, you are missing out on a fantastic organization. The People Program is a non-profit membership organization for persons 50 years old and over who are looking for creative ways to spend leisure time. Currently there are almost 500 members enrolled of diverse backgrounds, ranging from ages 50 to 93. Over 190 varied courses are offered and include exercise, computer, dance, art, needlework, crafts, games, languages, music, and more. For a flat membership fee of \$150, members can take as many classes as they like at one, two or all three campuses!

I mention this because their annual fundraiser is coming up on Sunday April 18th. I've taken the liberty of including a copy of the fundraiser info below. Fred & I have attended in past years, and we have always enjoyed the event. The cost is \$45 per person. All of the proceeds go directly to the People Program. It's a program that delivers so much more than just filling leisure time. It gives people purpose and creativity in their life. It gives them a new world of friends and a reason to get dressed and get out of the house. I highly recommend The People Program. Check out the website and open a whole new world for yourself, or for your parents or grandparents.
