AT HOME WITH NEEDLEWORK

If you have missed the shop emails over the last two weeks, it's because I have been At Home with Needlework. Well, make that at home working while ceramic installers were laying new floors in our house. The carpet installers came yesterday and now all of the downstairs floors in the house are new. Yet to be done is the upstairs carpeting, but that has to wait until I get the "stuff" I moved upstairs organized so that the carpeters can get to the floors. Mostly my needlework lives upstairs, and it's quite a stash. I also moved my computer upstairs so that now all of my shop related work takes place on the second floor. It's been good to get back into the shop today. I had several deliveries

waiting to be unpacked. My favorite was the At Home With Needlework Magazine Holiday issue. There is a design for every month of the year and the cost of the issue is only \$5.99. Pictured here are a few of my favorite designs. Stop by the shop and pick up an issue. Or perhaps two, one for you and one for a stitching friend.

Accents has been adding to our fabric inventory with a host of new overdyed fabrics. If you haven't yet stitched a design on an overdyed fabric, you should give it a try. There's something about the texture and the movement of the fabric that gives an extra dimension to your stitching when it's completed. We stock overdyeds in 36 thread, 32 thread, 28 thread, Aida 14 and Aida 16. Feast your eyes on the color selection on your next visit. You will surely find a color perfect for your next project.
