

News to "Accent" your stitches, page 1 of 2

Microsoft makes my life so easy — and yet again, soooooooooo difficult

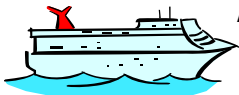

We all know computers are wonderful. We just save our work and go back and edit the document, press "print" and it's done. That is when you are able to install the programs and get everything connected and "talking" to each other. This is leading up to why you haven't been receiving regular e-letters. Short story: my computer crashed in March, I replaced it only to never really learn to use the iMac as I anticipated, purchased a new pc—and now I can't seem to readily move my contact list from the old pc to this new one. There seems to be a lack of understanding between Windows XP inputting into Windows 7 program and an Office Outlook 2003 program. One day they will be "talking" but for now I'm still migrating between 2 computers. . . . Oh what a tangled web . . .

**ONE DAY WONDER—
EEKY FINGERTIP TOWEL**
Saturday, Sept. 24th
1—3 pm Fee: \$10
We're still stitching the towels, but they are looking great. DMC Floss: purple #333 & orange #946
The October Tuckable will be a companion to this towel.

ONE DAY WONDER—TUCKABLE TUESDAY, OCTOBER 4TH 7:00-9:00 PM - FEE: \$10

. . . Oh what a tangled web it is. No, not tangled, just EEKY

Save the date. We'll be stitching an EEKY Spider web and inserting it into a purple and orange tuckable. I'm stitching with ThreadworX #1097 (Devilish) and Presencia purple #2711. I hope to have a photo to post next week.

Accents Away Stitcher's Cruise Oct. 7-14, 2012

Because of our past group cruises, Carnival has extended the date for signup for the Stitcher's Cruise until Sept. 30th. If you are interested in cruising with an awesome group of stitchers (& their guests) call Joy Sills at AAA Travel at **(504) 838-7500 ext. 6230** or email her at jsills@aaamissouri.com. Joy will be happy to book your cabin for you. If you want to cruise but need a roommate, don't let that stop you from booking. We've been very successful at matching up stitchers in past years. The most that you have to lose is \$25! The least that you can gain is a double handful of new friends! If you need another information/price form, email me and I'll email a pdf of the information sheet.

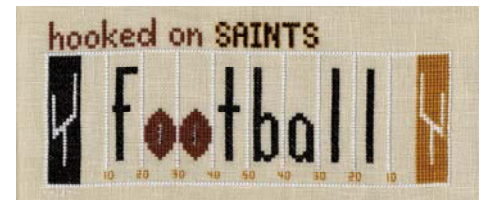

For LSU fans: I added a modification to the Believe fingertip to replace the I with an E.
