LABOR DAY HOURS

Monday, Sept. 5th

I lose the holiday (as usual) because it's on a Monday—my normal day off! I have decided that I will actually enjoy the day by making it a day to celebrate the labor of my stitching. The hardest decision I will make is which project I will stitch upon!!!!!!

Accents Away Stitcher's Cruise

Oct. 7-14, 2012

Days stitching and relaxing at sea seem to appeal to stitchers. We've planned a cruise on Carnival's Conquest to Key West, Freeport & Nassau departing from New Orleans next October. A \$25 deposit to hold a cabin will be required in September (*yes, next month*). I'll post cruise rates in the next e-letter. I expect the rates to range from \$575 to \$850 depending on your cabin choice. If you think you might attend, I'll be meeting with my travel agent on Monday. Email or call me before Monday and I'll give her your name. . . . *gayle*
